

Effective Small-Group Discussion Doesn't Just Happen ...By Accident!

Introducing **Practical** Facilitator Training for Parish Based Small-Group Discussion Leaders

This Multimedia Small Group Facilitator Training Workshop provides practical principles and effective small group dynamics techniques for leading high quality small-group discussions. The principles and techniques which are learned in this workshop are applicable to a variety of small-group discussion situations that may be encountered by a parish leader.

This training is applicable for leaders of scripture based small groups, parish council discussions, support groups, advocacy groups, fellowship groups, leadership groups, or in any environment where you desire to create verbal interaction which is gracious and inclusive.

“People are ready to gather in groups to read the Scriptures, study the teachings of the Church, and talk about the importance of Christ in their lives. They seek out these opportunities wherever they can find them...” (Our Hearts Were Burning Within Us, 26)
